The 2019 rates for Our Lady of Providence Residential Care Facility are:

Residential Independent Level	$184.00 per day	Level I
Residential Care	$229.30 per day	Level II
Residential Care	$287.39 per day	Level III

Higher Levels of care may be determined, and the rates are higher.Your required Level of Care will be determined by the Director of Nursing for Our Lady of Providence prior to Admission.

OLP charges at $1200.00 non-refundable community fee. This covers all assessments and medication set up.

Any and all exceptions (or addendums) to the level of care determination will be so noted and documented in an “Admission Agreement”, which shall be signed by Our Lady of Providence’s Administrator and the Applicant or his/her legal representative.

OLP may accept SSI payments for monthly Room & Board charges. We do so only a case-by-case basis, and solely within our discretion. If OLP does decide that it will accept SSI as payment there will be an addendum to your contract which will state: The amount of SSI payment, the room and board rate, the amount of personal needs allowance and a date that addendum is in effect for. However, OLP will expect family members who have the ability to contribute to your care to do so. Because we are a non-profit, public charity, we depend on contributions to meet our charitable mission of providing care to those who need it.

OLP may accept ACCS payments for monthly nursing services fees. We do so only a case-by-case basis, and solely within our discretion. If OLP does decide that it will accept ACCS as payment there will be an addendum to your contract which will state: The amount of ACCS payment, the level of service provided and the date that the addendum is in effect for. When we do accept ACCS payment, it results in a significant gap between what OLP is paid for the cost of care and the actual cost of care to the applicant. Accordingly, we expect family members to volunteer at OLP and to aid OLP in Fundraising activities in order to help us close that gap.
